M-PESA PREPAY SAFARI CARD

EXPAND your M-PESA usage - load funds from your M-PESA onto a Visa card and use it in millions of ATMs and shops countrywide and worldwide.

What is the M-PESA PrePay Safari Card?

This is an international pre-paid Visa card that needs to be pre-loaded with funds, in Kenya Shillings, that can be used by a card holder to withdraw cash in any currency from over 2 million VISA ATMs worldwide as well as use to make purchases at tens of millions of acceptance locations worldwide, including making purchases through the internet.

The M-PESA PrePay Safari Card can be reloaded for continued usage using your M-PESA and residual balances can also be refunded.

What are the benefits of the M-PESA PrePay Safari Card?

- Everyone can get one: Anyone who has a Safaricom telephone line with M-PESA facility and is 18 years and above can apply for this card.
- Easy load and reload: You can load and reload your card simply through your M-PESA.
- Better than a credit card: you can't spend money you don't have.
- Saves you money: There are never any late payment fees, ledger fees or over the limit fees.
- International ATM usage : This is a Visa and KENSWITCH branded card that is accepted both locally and internationally on all Visa/KENSWITCH branded ATMs.
- Online usage: This card can be used to conduct online transactions such as purchases, payments etc.
- Manage your money anywhere: You can monitor your card expenses, check your balance etc over the Internet. Just log into www.imbank.com online services and select prepaid cards
- SMS Alerts: You can choose to receive an SMS alert anytime you use the card.
- Convenience: This is safer, cheaper and more convenient than carrying cash. You can also de-activate the card after making your purchase online or when desired.
