## **I&M CASH MANAGEMENT**

I&M Cash Management service facilitates your business to get cash to the bank or any relevant destination quickly and safely at a reasonable cost. The Bank has partnered with a leading security company to offer you Cash in Transit (CIT) Services.

### **OUR CASH MANAGEMENT SERVICE OFFERS**

- a) Cash collection from customer premises or other relevant points to the Bank
- b) Cash delivery to customer premises or other relevant location

### **BENEFITS OF I&M CASH MANAGEMENT**

- Lower risk as cash is secured by armed guards
- Insurance cover for Cash In Transit
- Professional due diligence when transporting cash
- Reasonable cost
- Convenience - no need to travel to the bank for deposit
- Account is credited upon confirmation of cash

I&M Cash Management is available in major cities and towns. Currently, the following towns are covered:

- Nairobi City
- Mombasa City
- Kisumu City
- Nakuru
- Eldoret
- Kisii
- Nyeri
- Meru

### **CHARGES**

The service will be charged at cost price i.e. bank will just recover CIT company cost currently set at KShs 3,500 + VAT per trip for cash collection or cash delivery within defined radius of the cities/towns listed above.

Surcharge per kilometre, and police escort for external trips will apply for services outside defined radius within the major towns mentioned above.
